Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan for the State of New York. The following are a few highlights of our Annual Plan.

- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices meet all fair housing requirements.
- We have adopted a Deconcentration Policy.
- We have established a minimum rent of \$50 for our public housing and Section 8 program.
- We have established flat rents for all of our public housing developments.
- Our Interim Reexamination policy does not require families to report any increase in earned income, decreases in allowable expenses, or changes in the family composition that would result in an increase in the Total Tenant Payment between regular reexamination.

- We are utilizing the published Fair Market Rents as our payment standard for the Section 8 program.

In summary, we are on course to improve the condition of affordable housing in the City of Utica, New York.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- ☒ Employ effective maintenance and management policies to minimize the number of public housing units off-line

- ☒ Reduce turnover time for vacated public housing units
- ☒ Reduce time to renovate public housing units
- ☒ Seek replacement of public housing units lost to the inventory through mixed finance development
- ☒ Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- ☒ Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- ☐ Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- ☒ Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- ☒ Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- ☒ Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- ☐ Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- ☒ Apply for additional section 8 units should they become available

2.0 Reasonable Accommodation

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Municipal Housing Authority of the City of Utica housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Municipal Housing Authority of the City of Utica will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Municipal Housing Authority of the City of Utica will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 Communication

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 Questions to Ask in Granting the Accommodation

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Municipal Housing Authority of the City of Utica will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Municipal Housing Authority of the City of Utica will obtain documentation that the requested accommodation is needed due to the disability. The Municipal Housing Authority of the City of Utica will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Municipal Housing Authority of the City of Utica's business is housing. If the request would alter the fundamental business that the Municipal Housing Authority of the City of Utica conducts, that would not be reasonable. For instance, the Municipal Housing Authority of the City of Utica would deny a request to have the Municipal Housing Authority of the City of Utica do grocery shopping for a person with disabilities.
2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Municipal Housing Authority of the City of Utica may request a meeting with the individual to investigate and consider

equally effective alternatives.

- D. Generally the individual knows best what it is they need; however, the Municipal Housing Authority of the City of Utica retains the right to be shown how the requested accommodation enables the individual to access or use the Municipal Housing Authority of the City of Utica's programs or services.

If more than one accommodation is equally effective in providing access to the Municipal Housing Authority of the City of Utica's programs and services, the Municipal Housing Authority of the City of Utica retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Municipal Housing Authority of the City of Utica if there is no one else willing to pay for the modifications. If another party pays for the modification, the Municipal Housing Authority of the City of Utica will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Municipal Housing Authority of the City of Utica will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

We have the following policy for our Section 8 Program.

H. REASONABLE ACCOMMODATIONS POLICY [24 CFR 700.245(c)(3)]

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to families.

A participant with a disability must first ask for a specific change to a policy or practice as an accommodation of their disability before the PHA will treat a person differently than anyone else. The PHA's policies and practices will be designed to provide assurances that persons with disabilities will be given reasonable accommodations, upon request, so that they may fully access and utilize the housing program and related services. The availability of requesting an accommodation will be made known by including notices on PHA forms and letters. This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities and is applicable to all situations described in this Administrative Plan including when a family initiates contact with the PHA, when the PHA initiates contact with a family including when a family applies, and when the PHA schedules or reschedules appointments of any kind.

To be eligible to request a reasonable accommodation, the requester must first certify (if apparent) or verify (if not apparent) that they are a person with a disability under the following ADA definition:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such an impairment

Note: This is not the same as the HUD definition used for purposes of determining allowances.

Rehabilitated former drug users and alcoholics are covered under the ADA. However, a current drug user is not covered. In accordance with 5.403(a), individuals are not considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence. Individuals whose drug or alcohol addiction is a material factor to their disability are excluded from the definition. Individuals are considered disabled if disabling mental and physical limitations would persist if drug or alcohol abuse discontinued.

Once the person's status as a qualified person with a disability is confirmed, the PHA will require that a professional third party competent to make the assessment, provides written verification that the person needs the specific accommodation due to their disability and the

change is required for them to have equal access to the housing program. If the PHA finds that the requested accommodation creates an undue administrative or financial burden, the PHA will either deny the request and/or present an alternate accommodation that will still meet the need of the person.

An undue administrative burden is one that requires a fundamental alteration of the essential functions of the PHA (i.e., waiving a family obligation).

An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a severe financial hardship on the PHA.

The PHA will provide a written decision to the person requesting the accommodation within **a reasonable time**. If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal hearing to review the PHA's decision.

Reasonable accommodation will be made for persons with a disability that requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with the permission of the person with the disability.

All PHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

Verification of Disability

The PHA will verify disabilities under definitions in the Fair Housing Amendments Act of 1988, Section 504 of the 1973 Rehabilitation Act, and Americans with Disabilities Act.

Applying for Admission

All persons who wish to apply for any of the PHA's programs must submit an application **in written format**, as indicated in our public notice. Applications will be made available in an accessible format upon request from a person with a disability.

To provide specific accommodation to persons with disabilities, upon request, the information may be mailed to the applicant and, if requested, it will be mailed in an accessible format.

The full application is completed at the eligibility appointment in the applicant's own handwriting, unless assistance is needed, or a request for accommodation is requested by a person with a disability. Applicants will then be interviewed by PHA staff to review the information on the full application form. Verification of disability as it relates to 504, Fair

Housing, or ADA reasonable accommodation will be requested at this time. The full application will also include questions asking all applications whether reasonable accommodations are necessary.

3. PHA Policies Governing Eligibility, Selection, and Admissions

[24 CFR Part 903.7 9 (c)]

A. Public Housing

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

(1) Eligibility

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

☐

When families are within a certain number of being offered a unit: (state number)

☐

When families are within a certain time of being offered a unit: (state time)

☒

Other: (describe)

The following are extracts from our adopted Admissions and Continued Occupancy Policy.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Municipal Housing Authority of the City of Utica will make a preliminary determination of eligibility. The Municipal Housing Authority of the City of Utica will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Municipal Housing Authority of the City of Utica determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Municipal Housing Authority of the City of Utica will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Municipal Housing Authority of the City of Utica will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

9.3 Families Nearing the Top of the Waiting List

When a family appears to nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Municipal Housing Authority of the City of Utica must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- ☒ Criminal or Drug-related activity
- ☒ Rental history
- ☐ Housekeeping
- ☒ Other (describe)

The following is an extract from our adopted Admissions and Continued Occupancy Policy.

8.3 Suitability

A. Applicant families will be evaluated to determine whether, based on their

recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Municipal Housing Authority of the City of Utica will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Municipal Housing Authority of the City of Utica employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

B. The Municipal Housing Authority of the City of Utica will consider objective and reasonable aspects of the family's background, including the following:

1. History of meeting financial obligations, especially rent;
2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
3. History of disturbing neighbors or destruction of property;
4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Municipal Housing Authority of the City of Utica will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Municipal Housing Authority of the City of Utica will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse and co-head;

2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Municipal Housing Authority of the City of Utica may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
4. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

8.4 Grounds For Denial

- L. Are illegally using a controlled substance or are abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The Municipal Housing Authority of the City of Utica may waive this requirement if:

10.6 Offer of a Unit

When the Municipal Housing Authority of the City of Utica discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Municipal Housing Authority of the City of Utica will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Municipal Housing Authority of the City of Utica regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Municipal Housing Authority of the City of Utica will send the family a letter documenting the offer and the rejection.

10.7 Rejection of Unit

If in making the offer to the family the Municipal Housing Authority of the City of Utica skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Municipal Housing Authority of the City of Utica did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

15.6 Interim Reexaminations

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are not required to report any increase in earned income or decrease in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Municipal Housing Authority of the City of Utica between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Municipal Housing Authority of the City of Utica will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the

lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Municipal Housing Authority of the City of Utica will take timely action to process the interim reexamination and recalculate the tenant's rent.

G. TENANT SCREENING [24 CFR 982.307)]

The PHA will take into consideration any of the criteria for admission described in the "Denial or Termination of Assistance" chapter.

The PHA **will not** screen family behavior or suitability for tenancy. The PHA will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in tenancy.

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA will inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening families based on their tenancy histories, including such factors as:[24 CFR 982.307(a)(3)]

Payment of rent and utility bills

Caring for a unit and premises

Respecting the rights of other residents to the peaceful enjoyment of their housing

Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and

Compliance with other essential conditions of tenancy.

The PHA will advise families how to file a complaint if they have been discriminated against by an owner. The PHA will advise the family to make a Fair Housing complaint. The PHA may also report the owner to HUD (Fair Housing/Equal Opportunity) or the local Fair Housing Organization.

b. ☐ Yes ☒ No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

c. ☐ Yes ☒ No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?

In accordance with HUD requirements, the PHA will furnish prospective owners **who request the family's address information in writing from the PHA** with the family's current address as shown in the PHA's records and, if known to the PHA, the name and address of the landlord at the family's current and prior address.

The PHA will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

The PHA will inform owners that it is the responsibility of the landlord to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, payment of utility bills, eviction history, respecting the rights of other residents, damage to units, drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

A statement of the PHA's policy on release of information to prospective landlords will be included in the briefing packet which is provided to the family.

The PHA will provide documented information regarding tenancy history for the past five years to prospective landlords upon written request from the landlord, if available.

The PHA will furnish prospective owners with information about the family's rental history, or any history of drug trafficking.

(3) Search Time

- a. ☒ Yes ☐ No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The following is an extract from our adopted Section 8 Administrative Plan

F. TERM OF VOUCHER [24 CFR 982.303, 982.54(d)(11)]

During the briefing session, each household will be issued a Voucher, which represents a contractual agreement between the PHA and the Family specifying the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

Expirations

The Voucher is valid for a period of at least sixty calendar days from the date of issuance. The family must submit a Request for Approval of the Tenancy and Lease within the sixty-day period unless an extension has been granted by the PHA.

If the Voucher has expired, and has not been extended by the PHA or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

Suspensions

When a Request for Approval of Tenancy is received, the PHA **will not** deduct the number of days required to process the request from the 60 day term of the voucher

Extensions

A family may request a written request for an extension of the Voucher time period. All requests for extensions must be received prior to the expiration date of the Voucher.

Extensions are permissible at the discretion of the PHA up to a maximum of an additional 60 days primarily for these reasons:

Extenuating circumstances such as hospitalization or a family emergency for an extended period of time which has affected the family's ability to find a unit within the initial sixty-day period. Verification is required.

The PHA is satisfied that the family has made a reasonable effort to locate a unit, including seeking the assistance of the PHA, throughout the initial sixty-day period. A completed search record is not required.

Assistance to Voucher Holders

Families who require additional assistance during their search may call the PHA Office to request assistance. Voucher holders will be notified at their briefing session that the PHA periodically updates the listing of available units and how the updated list may be obtained.

The PHA will assist families with negotiations with owners and provide other assistance related to the families' search for housing.

 - ☐ The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
 - ☐ The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
 - ☒ Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
 - The Housing Authority will continue to maintain and renovate its public housing units.
 - We have adopted rent policies that support and encourage work by not requiring working families to report increases in income or decreases in allowable expenses between regular reexaminations.
 - The Housing Authority will continue to market its public housing and Section 8 program to make families and individuals aware of the availability of decent, safe, sanitary and affordable housing in the City of Utica.
 - The Housing Authority Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:
 - (1) Provide improved living conditions for very low and low-income families while maintaining their rent payments at an affordable level.
 - (2) To operate a socially and financially sound public housing agency that is violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families.
 - (3) To avoid concentrations of economically and socially deprived families in any of our public housing developments.
 - (4) Deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.

- (5) To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities that is representative of the range of incomes of low income families in our jurisdiction.
 - (6) To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.
- We have similar principles for our Section 8 program:
 - (1) To provide decent, safe and sanitary housing for very low income families while maintaining their rent payments at an affordable level.
 - (2) To ensure that all units meet Housing Quality Standards and families pay fair and reasonable rents.
 - (3) To promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
 - (4) To assist the local economy by increasing the occupancy rate and the amount of money flowing into the community.
 - (5) To create positive public awareness and expand the level of family, owner, and community support in accomplishing the Housing Authority's mission.
 - (6) To attain and maintain a high level of standards and professionalism in our day to day management of all program components.
 - (7) To administer an efficient, high-performing agency through continuous improvement of the Housing Authority support systems and commitment to our employees and their development.
 - (8) To encourage self sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human service needs.
 - (9) To promote a market-driven housing program that will help qualified low-income families be successful in obtaining affordable housing and increase the supply of housing choices for such families.

Our agency is part of the entire effort undertaken by the City of Utica, Oneida County and the State of New York to address our jurisdiction's affordable housing needs. While we cannot ourselves meet the entire need identified in the Consolidated Plan, in accordance with our goals and objectives included in this Plan, we will try to address some of the identified need by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to enhance the affordable housing available in our community. We intend to continue working with our local partners to try and meet these identified needs.

This year we expect to utilize the funds we receive for our existing programs. We will continue to use those resources to house people. At this time we also intend to apply for Public Housing Drug Elimination Program funds. We will consider applying for additional units because we believe we have sufficient need for additional housing resources for the applicants on our waiting lists for the public housing and Section 8 programs. We will also be focusing on management improvements, modernization and increasing the number of owners willing to participate in our Section 8 program. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may change over the coming year if there are program changes beyond our control.

☐ Other: (list below)

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The New York State Consolidated Plan establishes three strategic objectives that are of equal importance and form the basis of New York State's strategy:

1. **Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate income households, and help identify and develop available resources to assist in the development of housing.**

The need analysis describes a shortage of affordable housing units in New York State. By increasing the number of decent and affordable housing units, New York State will be addressing each of the housing problems: overcrowding, substandard units, and cost burden. The State plan includes the increase of the supply of decent and affordable housing by assisting in the financing of new construction, substantial rehabilitation, and conversion of

previously nonresidential properties. While not specifically targeting funds in the Consolidated Plan for such programs, New York State believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of Section 8 and public housing. The Consolidate Plan states: "The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing."

2. Improve the ability of low and moderate income New Yorkers to access rental and home-ownership opportunities.

Cost burden is identified as the most widespread of all the various housing problems by New Yorkers. Cost burden disproportionately affects New Yorkers with low and moderate incomes. Renters make up the substantial majority of households with cost burden.

The Consolidated Plan includes the provision of rental assistance where possible and also to providing home-ownership opportunities to low-income and minority households. State housing agencies are encouraged to apply for Section 8 program funding.

The Consolidated Plan notes that there are insufficient Federal and State capital subsidies to increase the supply of affordable housing to address the problems of all those with cost burdens.

Additional strategies include making mortgages available with below market interest rates to first-time home - buyers and providing rehabilitation assistance to low-income homeowners.

3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.

The Consolidated Plan reflects that the demand for housing and supportive assistance for the homeless far exceeds the supply; particularly, the frail elderly, disabled, and other segments of the Population requiring supportive living arrangements or services.

Among the programs to be utilized, are the various Section 8 programs.

The Consolidated Plan addresses Public Housing Resident Initiatives.

“The State does have a State public housing program as noted in the Needs Assessment. Tenant participation in the management of housing authorities is not only encouraged in this State, but mandated in New York’s Public Housing Law, which provides that authorities having a population under one million be composed of up to seven members, including two tenants elected by public housing residents. The underlying philosophy has been to ensure that tenants’ needs and concerns are effectively communicated to the governing body of the authority and, when necessary, to DHCR, as the supervising State agency.”

The use of the term “low and moderate income households” includes all households at or below 80 percent of median income. Extremely low-income households are included in this category which has been identified in the needs analysis as having the highest magnitude of housing problems.

The New York State Objectives respond to the purposes of the National Affordable Housing Act that are:

1. to help families not owning a home to save for a down payment for the purchase of a home;
2. to retain wherever feasible as housing affordable to low-income families those dwelling units produced for such purposes with Federal assistance;
3. to extend and strengthen partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of housing affordable to low-income and moderate-income families;
4. to expand and improve Federal rental assistance for very low-income families; and
5. to increase the supply of supportive housing, which combines structural features and services needed to enable persons with special needs to live with dignity and independence.

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the Housing Authority of the City of Utica.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Plan maintains the presence of law enforcement above and beyond base-line services and Volunteer Tenant Patrols; continues job creation efforts under our welfare-to-work programs and proposes a comprehensive case management effort directed towards drug prevention/intervention and youth leadership development. Outreach to residents provides a continuum of care on-site, in our new resident training centers, and is designed to improve personal self-esteem, employability, significant activities meaningful to youth, and licensed substance abuse treatment. On-site case managers, including a case management coordinator, case management specialist and a drug advisor will provide assistance to residents through on-going drug prevention programs.

Our goals and objectives are to provide visible security patrols for the developments that will help to reduce the presence of drugs and drug-related crime. Reports from security patrols will provide monitoring and evaluation of their activities. Our case management staff goals and objectives are to provide educational and employment opportunities to residents. Monitoring and evaluation is determined by the maintenance of detailed statistical reports reflecting the number of families assisted and the rates of success.
